

CDI WAITLIST POLICY (updated 9/2024)

Each applicant must pay the \$150 registration fee at the time of registration to enroll in a class or to get onto a waitlist using the online site.

When notified of waitlist status (vs getting enrollment notification), you have 48 hours to request to be taken off the waitlist and request a full refund be issued.

After 48 hours it is assumed you want to remain on the waitlist.

If at any time (after the 48 hours) you are offered an enrollment spot and you decline you forfeit the full registration fee.

If you are not offered an enrollment spot prior to the first day of the new school year starting, a full refund can be requested in writing, and you will be removed from the waitlist.

If after the 48 hours but before July 1st you decide to remove yourself from the waitlist, a 50% refund can be requested in writing, and you will be removed from the waitlist.

After July 1st there will be no refunds unless you are not offered a spot and a request for the refund in writing was made.

IF your child is not yet 9 months old prior to the start of the school year (or you want to begin after the 1st day of school) you have 2 options:

Option 1: Pay the registration fee and make all tuition payments for the months of school prior to your child turning 9 months old &/or starting school. This will guarantee that your child has a spot when you are ready to begin school.

Option 2: Pay the registration fee only. This will put you on the waitlist but not guarantee that your child has a spot once you are ready to begin. (see above for normal “waitlist” policies)
